

ACKNOWLEDGEMENTS

The authors would like to express their sincere thanks and gratitude to the following people for their valuable contributions to the Handbook: Dr Peter Tarr (Angola, Botswana, Mozambique, Namibia, Tanzania) and Vernon Booth (Zimbabwe). We would also like to thank the following for their time in checking their country's chapter: Vladimir Russo (Angola), Professor Maseko Mpotokwane (Botswana), Bernice Khoachele (Lesotho), Jameson Vilakati (Swaziland), Edward Zulu (Zambia) and representatives of the Environmental Management Agency in Zimbabwe.

Indemnity

While the authors have made every attempt to provide the most up to date and accurate information and to validate the situation in each country, they and their respective institutions do not accept any liability for actions taken on the basis of information contained in this Handbook. Therefore, all prospective developers and consultants are warned to check the current status of the environmental legislation in the country in which they wish to operate.
